Bike Clinic

This four-week class with Wallingford resident Jared Liu will cover the basics to keep your bicycle in good condition and handle most repairs by yourself. This includes understanding the parts of a bike and how they work together, getting to know common tools and what you'll need to get started, and actually getting your hands greasy with routine repairs.

The classes will meet in the Collaboratory on Thursdays in October at 6:30. The schedule is:

- Week 1 (Oct. 5) - Tubes, Tires, and Wheels
- Week 2 (Oct. 12) - Frame, and Chain, and Drivetrain
- Week 3 (Oct. 19) - Brakes, Shifting, and Cabling
- Week 4 (Oct. 26) - Gears, Freewheels, and Cassettes
