Our “We’re Ready to Read” Theme bags, otherwise known as Red Bags, are a great way to introduce kids to a particular subject. They have a variety of materials packaged together and are ready to be checked out as a unit.

Each bag is filled with books carefully chosen to provide preschoolers with the early literacy enrichment they need in order to be ready to learn to read when they start school. Filled with books, puppets, games, suggested activities related to the theme, music and more, these unique bags will be thoroughly enjoyed by you and your child!

Here is some information that we hope will be helpful:

- Bags are checked out at the Circulation Desk for a two week period.
- Two bags may be taken out at a time.
- You may reserve a bag if it is checked out.
- If overdue, a fine of \$1.00 a day is charged.
- Bags must be returned to the Circulation Desk and cannot be left in the Book Drop.
- Bags may be renewed if not on reserve for another patron.
- An information folder is included in each bag with a list of materials to help you make sure all items are accounted for and in the bag before being returned.

We're Ready to Read Theme Bags were made possible thanks to an LSTA Grant.

Here's a list of Red Bags that are available:
