We charge for a set price for certain supplies for the laser cutter, Carvey, laminator, and Silhouette machines. We do not have a set price for all other materials. Instead we request a monetary donation at your discretion to cover the cost of these supplies. We encourage you to consider "paying it forward" by adding a little extra to your donation in order to balance out those who are unable to give financially.

You are welcome to bring your own materials for the machines, as long as they fall within our BYO guidelines. Please be aware that we cannot guarantee the quality of the finished product. Finished products not picked up within 3 weeks become library property. We cannot accept BYO materials until you submit your project file.
