

Letters to the Library

Describe yourself in a sentence or two, for example your age and occupation (or, if you do not have one, what you like to do). What is your household like?

I'm a 15 year old LHHS student. I live with my mom and dad and my younger sister.

What is your day to day routine like now? What has changed? What has not changed?

I used to wake up at 5:30 to prepare for school. Now I get to sleep in till 8:45. I still watch a lot of youtube but now I have more time.

What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?

I haven't gone out of the house since school was closed. The most I do is take short walks on the driveway and go to the mailbox. We have toilet paper so we have no problem with that.

What have been the biggest challenges for you during this time?

I miss seeing my friends in person. Google meet is just not the same but it's better then nothing.

How have you stayed busy?

I attend all my classes and watch youtube when I'm done doing homework. I also cleaned out some of my stuff.

Have there been any positives to this situation?

I got to do some cooking at home.

What local Wallingford places/businesses do you miss most?

N/A

How have you stayed social while social distancing?

I only get to see my friends during Google meet.

What is the first thing you are doing when things go back to normal?

Go get a haircut.

How did you celebrate the Holidays? Did you see family in person, digitally, or not at all?

We just stayed home. Sometimes I see my Grandfather on Viber. We had a picnic outside for Cinco de Mayo.

How will you be celebrating Wallingford's 350th Jubilee? If you were here for the 325th Jubilee, do you have any memories you would like to share?

N/A

What do you miss most about the Wallingford Public Library? What is the first thing you will be doing when you can come back into the building?

I was planning to volunteer for community service but then the library closed. I will return all our borrowed materials when the library opens.
