

Letters to the Library

Describe yourself in a sentence or two, for example your age and occupation (or, if you do not have one, what you like to do). What is your household like?

My name is Aidan and I am 12 years old. I am a 6th grader in Wallingford. I miss my friends.

What is your day to day routine like now? What has changed? What has not changed?

Everything changed. One day I went to school, came home and never got to go back. Then all my classes were online.

What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?

My parents won't let me go anywhere besides back and forth to their homes. And my mom is a nurse, so when she was working with sick people I had to spend more time with my dad to stay safe.

What have been the biggest challenges for you during this time?

Not being able to see my friends. We talk online and on the phone, but it's not the same.

How have you stayed busy?

Talking to my friends. But sometimes it's really hard and some days I feel like I'm going crazy being stuck at home.

Have there been any positives to this situation?

Not really. But I do appreciate going to school, seeing my friends and working with My teachers more.

What local Wallingford places/businesses do you miss most?

Being able to go to places like the movies or bowling alley

How have you stayed social while social distancing?

I talk to my friends on my chrome book or phone. I take my piano lessons over FaceTime

What is the first thing you are doing when things go back to normal?

Go mini golfing

How did you celebrate the Holidays? Did you see family in person, digitally, or not at all?

It was like the holidays were cancelled this year. Nothing happened

How will you be celebrating Wallingford's 350th Jubilee? If you were here for the 325th Jubilee, do you have any memories you would like to share?

I don't know yet.

What do you miss most about the Wallingford Public Library? What is the first thing you will be doing when you can come back into the building?

I'm gonna go to the mangas and read
