

Letters to the Library

Describe yourself in a sentence or two, for example your age and occupation (or, if you do not have one, what you like to do). What is your household like?

My name is M and I'm 9 years old. I live with Mom, Dad, my older brother and my bunny, Erik.

What is your day to day routine like now? What has changed? What has not changed?

Pretty much all the fun things were cancelled. I am homeschooled, so we do our lessons in the morning. We used to go to restaurants, museums, amusement parks and friends' houses.

What precautions have you taken against the virus? How have you prepared? Were there any difficulties (shortages, high prices etc.)?

I do not go near people and I don't go in people's houses until this virus dies away. We ran out of napkins, potato chips, and cleaning wipes.

What have been the biggest challenges for you during this time?

Not being able to see my cousins and friends very often.

How have you stayed busy?

I have been sleeping in, building cardboard stuff, drawing, and playing in my own house and yard.

Have there been any positives to this situation?

I don't really think there was anything that was good about this virus.

What local Wallingford places/businesses do you miss most?

I miss the library and Walmart the most.

How have you stayed social while social distancing?

Zoom

What is the first thing you are doing when things go back to normal?

I think being able to actually play with other people inside.

How did you celebrate the Holidays? Did you see family in person, digitally, or not at all?

For Easter we ate at our house and did an Easter egg hunt in our yard. We did a Zoom meeting with our family.

How will you be celebrating Wallingford's 350th Jubilee? If you were here for the 325th Jubilee, do you have any memories you would like to share?

N/A

What do you miss most about the Wallingford Public Library? What is the first thing you will be doing when you can come back into the building?

For Easter we ate at our house and did an Easter egg hunt in our yard. We did a Zoom meeting with our family.
